1. Passenger automobiles, sport/utility vehicles, mini-trucks, vans, and motorcycles (used for personal transportation and not commercially) that do not exceed the size of one parking space may be parked in the areas provided for that purpose. Commercial vehicles, trucks, campers, motor homes, trailers, boats, and boat trailers are prohibited. Bicycles and mopeds will be parked only in the bike storage areas or otherwise as may be designated by the directors. Vehicle maintenance, except car washing in the designated area, is not permitted on the condominium property. All vehicles must be currently licensed and no inoperable or unsightly vehicles may be kept on condominium property. The developer is exempt from this regulation for vehicles engaged in any activity relating to construction, maintenance, or marketing of units, as are commercial vehicles used by vendors of the association while engaged in work at the condominium.
2. Recreational facilities will be used in such a manner as to respect the rights of others, and the directors may regulate duration of use, set hours of opening and closing, and schedule use of the facilities.
3. No exterior radio, television, or data reception antennas or any exterior wiring for any purpose may be installed without the written consent of the directors.
4. To maintain harmony of exterior appearance, no one will make any changes to, place anything on, affix anything to, or exhibit anything from any part of the condominium or association property that is visible from the exterior of the building or from the common elements without the prior written consent of the directors. All curtains, shades, drapes, and blinds will be white or off-white in color or lined with material of these colors. Balcony tile and floor covering colors must be approved by the board.
5. All common elements inside and outside the buildings will be used for their designated purposes only, and nothing belonging to unit owners, or their family, tenants, or guests, will be kept therein or thereon without the approval of the directors. Such areas will at all times be kept free of obstruction. Owners are financially responsible to the association for damage to the common elements caused by themselves or their tenants, guests, and family members.
6. One dog (no more than 15 inches tall at the shoulder at maturity) or two cats, and no more than two birds, tropical fish, and other customary nonexotic (snakes are prohibited), quiet, and inoffensive household pets not being kept or raised for commercial purposes will be permitted with the following conditions:
 - a. On the common elements, pets will be under handheld leash or carried at all times.

b. Messes made by pets must be removed by owners or handlers immediately. The directors will designate the portions of the property that will be used to accommodate the reasonable requirements of unit owners who keep pets.

c. Pets that are vicious, noisy, or otherwise unpleasant will not be permitted in the condominium. In the event that a pet has, in the opinion of the board of directors, become a nuisance or an unreasonable disturbance, written notice will be given to the owner or other person responsible for the pet, and the pet must be removed from the condominium property within three days.

d. Guests and tenants are not permitted to have pets.

e. The board of directors has the authority and discretion to make exceptions to the limitations in this regulation in individual cases and to impose conditions concerning the exceptions.

7. Disposal of garbage and trash will be only by use of receptacles approved by the association or by use of the garbage disposal units.

8. All nonowner persons occupying units will be registered with the manager or other designate of the association at or before the time of their occupancy of the unit. This includes renters and houseguests.

Units may not be rented for periods of less than 30 consecutive days nor more than three times a year. A copy of these rules and regulations must be given to the tenants and guests by the unit owner or the unit owner's agent.

This regulation may not be amended in a way that would be detrimental to the sales of units by the developer as long as the developer holds units for sale in the ordinary course of business.

9. The association shall retain a passkey to the units, and the unit owners shall provide the association with a new or extra key whenever locks are changed or added for the use of the association pursuant to its statutory right to access the units.

11. Loud and disturbing noises are prohibited. All radios, televisions, tape machines, compact disc players, stereos, singing, and playing of musical instruments, etc., will be regulated to sound levels that will not disturb others. If such noise-producing items are used at or in the vicinity of the pool, they must be used only with earphones. No vocal or instrumental practice is permitted after 10:00 p.m. or before 9:00 a.m.

16. No nuisance of any type or kind will be maintained on the condominium property.
17. Nothing will be done or kept in any unit or in the common elements that will increase the rate of insurance on the building or contents of the building without the prior written consent of the directors. No owner will permit anything to be done or kept in the owner's unit or in the common elements that will result in the cancellation of insurance on the building or the contents of the building, or that would be in violation of any law or building code.
18. Persons moving furniture and other property into and out of units must use the designated access door into the condominium and the elevators designated by the directors as service elevators. All such moving must take place Mondays through Saturdays between the hours of 8:00 a.m. and 5:00 p.m. only. Moving vans and trucks used for this purpose will remain on condominium property only when actually in use.

21. The board of directors of the association may impose a \$100 fine for each violation of these rules and regulations or any violation of the condominium documents.
22. The condominium and management staff are not permitted to do private work for unit owners, their families, tenants, or guests while on duty. If both parties are agreeable, staff may assist such persons privately when off duty.
23. These rules and regulations do not purport to constitute all of the restrictions affecting the condominium and common property. Reference should be made to the condominium and community association documents.
